Harmon Home Health, Inc CEO named Advisory Board Member of FLIC (Female Leadership Interest Council)

Worcester, MA –FLIC (Female Leadership Interest Council) recently announced the appointment of Kimberly M. Harmon, CEO and Founder of Harmon Home Health and Team Celebrate Life™ to its Advisory Board.

FLIC is an organization founded on the principles of *Paying-it-Forward* through inspired leadership and mentoring support. Its mission is to educate, inspire and mentor women in all stages of their lives. FLIC Advisory Board Members represent a myriad of industries. Most members are women and men in high-level leadership positions that have made significant contributions to the community have extensive experience and are in a position to inspire, motivate and mentor.

“Kim truly exemplifies the spirit of our organizational mission every day.” Said Deborah Penta, Founder of FLIC. “She is a business leader, gives back to her community, balances the art of family life with entrepreneurship, has great positive energy, and is very committed to helping other women succeed and serves as mentor and inspirational role model for young women. We are delighted to appoint Kim Harmon to our Advisory Board.”

“It is truly an honor to have been chosen to assist Deborah in fulfilling her vision of fostering female leadership. I am proud to promote an organization that is in alignment with my personal core fundamental values and that of which empowers other women to achieve their maximum potential.” Said Harmon.

Harmon is a seasoned Advisory Board Member. She is currently a member of the Board of Directors for Pernet Family Health Services; is Vice President of the Board for the Auburn Chamber of Commerce and also chairs their Health Care Committee and the Legislative Committee. Her passion to mentor and coach other women has resulted in many public speaking engagements. She was recently written up in a published interview

in the national magazine *Good Housekeeping* that shared her inspirational story of the challenges of starting a business.

Harmon Home Health is a private home care agency servicing Worcester County since 2006 providing nursing, home health aides, companions to assist clients with personal care, care coordination, homemaking, shopping and transporting, medication, live-in care and more! www.harmonhomecare.com
